# Community READ!

CommunityREAD is a month-long community event that encourages reading and promotes the benefits of literacy. Each year, a different book is chosen and read by community members. Various events are planned throughout the month of March at the library and throughout the community to celebrate literacy. CommunityREAD is funded by a Findlay-Hancock County Community Foundation grant, as well as the library's general fund, and business and private sponsors.

*The Invisible Husband of Frick Island* by Colleen Oakley has been chosen as the featured title for the Findlay-Hancock County Public Library's 2023 CommunityREAD event. Copies of the book are now available at the Findlay-Hancock County Public Library. The feature presentation by the author will take place on April 6, 2023 at the Marathon Center for the Performing Arts. Tickets are available at [mcpa.org/events/detail/communityread-2023](https://mcpa.org/events/detail/communityread-2023).

The story centers on Piper Parrish. Her life is nearly perfect aside from one pesky detail: Her darling husband, Tom, is dead. Piper, rocked to her core, carried on as if her husband was not only still alive, but right there beside her. And what were the townspeople to do but go along with their beloved widowed Piper?

Anders Caldwell is a journalist that thought he'd be an award-winning podcaster by now, rather than writing fluff pieces for a small-town newspaper. But when he gets an assignment to cover the boring annual Cake Walk fundraiser on Frick Island, he stumbles upon a much more fascinating tale: an entire town pretending to see and interact with a man who does not actually exist. Anders has no idea out of all the lives he's about to upend, it's his that will change the most.

Our CommunityREAD author, Colleen Oakley, is the *USA Today* bestselling author of *You Were There Too*, *Close Enough to Touch*, *Before I Go*, and *The Invisible Husband of Frick Island*. Colleen's novels have been longlisted for the Southern Book Prize twice and *Close Enough to Touch* won the French Reader's Prize. Her books have been translated into 21 languages, optioned for film, and have received numerous accolades.

During the month of March, we celebrate CommunityREAD with special programming related to the themes in the book. We will explore grief, water quality issues, the history of the Great Lakes, podcasting, and special children's programs. Please check our calendar at [findlaylibrary.evanced.info](https://findlaylibrary.evanced.info) for more information on programs and join us!

We also celebrate YouthREAD during the month of March, a companion program recognizing younger readers. Please go to [findlaylibrary.org/content/youthread-2023](https://findlaylibrary.org/content/youthread-2023) to see the special titles chosen for children and teens with the same themes as the CommunityREAD selection.
